It may seem odd to be discussing next year's budget, but of course odd is an appropriate term to use when discussing school financing. For those of you who would like to find out more about the proposed budget for next year, here is the School Board schedule for budget discussions:

Thursday, January 3rd 7:00

Administrative presentation of the proposed budget to the school board/public.

Thursday, January 10th 7:00

Discussion of the proposed budget.

Thursday, January 17th 7:00

Adoption of the proposed budget.

Monday, March 3rd 7:00

District meeting

Tuesday, March 4th

District voting

Please come to the MCS library in January to hear about, and give input on, the proposed budget for 2008-2009.

School Delays

Please see page 7 of the Parent Handbook for info regarding school closing procedures.

Concert Note

Please be aware that there will be dancing occurring between the front row of chairs and the stage during the concerts. We would ask that young children not sit in this area during the performances. (We will be seating the local preschool students in this area for the K-3 performance). We realize it may be difficult for young children to see the performances, however, it is safer if families sit together to avoid any accidents such as a sword dancer tripping over a wayward tot. That usually leads to lots of tears mostly from Mrs. Keck.

Winter Suggestion

Some students will leave an extra pair of shoes at school during the winter months. This avoids forgetting a pair of shoes and being stuck in boots all day. Please do not use slippers for this purpose. Students need to have appropriate footwear on at all times in case of an emergency evacuation (e.g. fire drill).

School Board

The Norwich School Board will have three openings in the next election held in March. If you are interested in finding out more about this opportunity, you can contact any of the following people:

Mary Sachsse - School Board Chair	Marysaxa@aol.com
Wayne Gersen - Superintendent	wayne.gersen@valley.net
Rob Edson - Principal	rob.edson@valley.net
